Dear SG eFinancing Solutions' "Financial Care" Client,

I am delighted to inform you that for 2016, the Committee on Finance and Operations has created a new program for which we'd like to offer a substantial financing discount, either through a "Bridge Advance," or through direct means.

We'd like to offer you, once we've received your paperwork*, any one of these options, that will best lead you to want to stay on with us as permanent, long-term Financial Care clients.

- Amortized (2- to 4-year) term loans
- Bridge (6- to 12-month) loans: advance to amortized loan
- Cash (6- to 12-month) advances (ask about our unique fixed% of revenue ACH payback)
- Factor (12-month) advances
- Liens'-based cash advances for personal injury settlements
- Previously denied, poor credit, new business...TRY US...(you may be pleasantly surprised..)

Sincerely,
